

Student Survey – Teaching

all of the items below will use SA-A-N-D-SD as the possible responses

Communication

I understand the class policies and expectations.

The instructions and grading criteria for assignments are clearly explained.

Days and times of office hours are posted on the syllabus and/or on Canvas.

Teaching Methods

The instructor is prepared for class and provides well-organized lectures, activities and/or labs.

The instructor's teaching methods are beneficial to my learning.

I am able to follow the lectures, activities, and assignments.

The feedback provided by the instructor is beneficial to my learning.

Classroom Environment and Support

I feel welcome and respected in the classroom environment.

I feel encouraged to ask questions and/or participate in discussions.

I feel that the instructor wants me to succeed.

The instructor shares relevant campus/community resources and events.

Canvas/Online Instruction (for online & hybrid courses, and f2f courses that utilize Canvas)

The course was available in Canvas on/before the first day of class.

I was able to log in to Canvas without difficulty.

The course layout in Canvas makes it easy to navigate.

Even when face-to-face is an option, I prefer to take online classes.

I would take an online course from this instructor again.
