12:48:57 From Claudette Shatto to Everyone:
what was the final vote of the survey?
12:54:15 From Shawna Bynum (she/her) to Everyone:
I think the Senate should send a clear message that diverse faculty representation is important on AAC. My personal opinion is these reps should be elected, not appointed by admin.

12:55:33 From Dr. Eileene Tejada to Everyone:
Shawna, I see your comment.
12:56:23 From Bonnie Moore to Everyone:
Should we create an AAC committee? and then that would be a faculty members committee work.
12:57:55 From Molly Hodgins to Everyone:
I agree with Christy.
12:58:40 From Stephanie Burns to Everyone:
There needs to be diverse faculty input in the AAC. It is not enough to give input after the fact. When faculty chairs were on IC, there were things that faculty could and would say that deans could or would not say. Our viewpoints are different from deans and we can add to the discussion in ways deans can't.
13:00:04 From Jim McGowan to Everyone:
For those who don't know: the AAC advises the VPAA on things the schedule build, hiring, resource requests and prioritization, enrollment issues, etc.
13:02:05 From Shawna Bynum (she/her) to Everyone:
Yes, AAC is more of a conversation, not a decision making body. Completely agree with Amanda's point about needing representation across programs!
13:02:22 From Dianna C to Everyone:
@Shawna, I agree also
13:03:36 From forwst to Everyone:
This type of representation also brings the campus as a whole together, as we are seeing the needs of others on our campus. It brings the Senate (and Union) together, the better we understand one another.
13:07:17 From Christy Pruitt to Everyone:
Resource allocation decisions should be happening in a Brown Act committee.
13:08:46 From Naomi Chianese to Everyone:
Decisions aren't actually made in AAC, just recommendations.
13:09:53 From Mandisa Wood to Everyone:
I really am grateful to work with you all. You keep on trying and contributing fresh ideas. Recently, I have come to terms with the fact that we might have root rot. I think I have been dropping seeds in soil that is unhealthy. This institution is lucky to have each and every one of you. I don’t want to be a bandaid. It is not my job to clean up a mess or be in a mess.
13:10:50 From Dianna C to Everyone:
regarding B & P, Hard to integrate stonewalling.
13:12:13 From ckling to Everyone:
Diverse faculty representation is extremely important on the AAC.
13:12:33 From Dianna C to Everyone:
