BOARD MEETING DATE: 11/14/2013

PROPOSAL: Agreement entered into with Sonoma County Junior College District (Santa Rosa Junior College) and Napa Valley College to provide the 2014 CTE Employment Outcomes Survey.

RECOMMENDATION: Approve the agreement

SUPPORTING INFORMATION:

Background & Summary: The CTE Employment Outcomes Survey will gather information on employment outcomes for students participating in CTE programs at California community colleges, including whether students became employed within their field of study, if their community college coursework positively affected their earning potential and how CTE programs can be improved. This will be the second year Napa Valley College has participated in the survey. The data received from the survey will help to track our CTE student successes; including number of completions and job attainment. The fee to survey CTE graduates by email, U.S. mail and telephone is $6,888.

Fiscal Impact of Proposal: The fee to provide the 2014 survey will be paid through the CTE Community Collaborative Grant (SB1070).
