The Miracle Worker – Woodland Opera House

An eternal classic, The Miracle Worker dramatizes the volatile relationship between the lonely teacher and her charge. Trapped in a secret, silent world, unable to communicate, Helen is violent, spoilt, almost sub-human and treated by her family as such. Only Annie realizes that there is a mind and spirit waiting to be rescued from the dark, tortured silence. Our visit to Woodland includes time to visit this quaint town, explore the shops and have a bite to eat before strolling back to the Opera House for the show. Lunch on your own.
