5.0 Discussion.

   5.1 Enrollment Priorities
   Jessica Milliken made presentation to the committee on the proposed Title 5 Enrollment Priority Regulation Student Success Task Force Recommendations. Jessica outlined the changes and the proposed timeline. Changes would include a 100 unit threshold and requirement to be in good standing (not on academic or progress probation for two consecutive terms). District implementation would be Spring 2014 for Fall 2014 classes. Discussion ensued concerning strategies of working with students not in good standing and other issues involving high unit programs. Committee agreed on the need to work with members from Matriculation Committee as we move forward to get a broad perspective.

   5.2 Pre-requisite Policy
   Chair is still working on a draft for the policy and will circulate for input when complete. Next
