# Graduation Requirements for Degrees and Certificates

### References:

Education Code Section 70902(b)(3);  
Title 5 Sections 55060 et seq.

The District grants the degrees of Associate in Arts and Associate in Science to those students who have completed the subject requirements for graduation and who have maintained a 2.0 average in subjects attempted. Students must also complete the general education residency and competency requirements set forth in Title 5 regulations.

Students may be awarded a Certificate of Achievement upon successful completion of a minimum of **18 16** or more semester units **or 27 or more quarter units** of degree-applicable coursework designed as a pattern of learning experiences designed to develop certain capabilities that may be oriented to career or general education.

The Superintendent/President shall establish administrative regulations to determine degree and certificate requirements that include appropriate involvement of the local curriculum committee. The regulations shall assure that graduation requirements are published in the District's catalog(s) and included in other resources that are convenient for students.
