Education Code Sections 76224 and 76232;
Title 5 Section 55025

Changing Grades

The instructor of the course shall determine the grade to be awarded to each student.

The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence. "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade and clerical errors. "Fraud" may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization. "Bad Faith" may include, but is not limited to, intentional dishonest act by not fulfilling legal or contractual obligations, misleading another, entering into an agreement without the intention or means to fulfill it, or violating basic standards of honesty in dealing with others. "Incompetence" may include, but is not limited to, not possessing the requisite skills to perform a given task.

The removal or change of an incorrect grade from a student's record shall only be done pursuant to Education Code Section 76232 or by an alternative method that ensures that each student shall be afforded an objective and reasonable review of the requested grade change.

If the procedure requires that a student first request a grade change from the instructor, provisions shall be made to allow another faculty member to substitute for the instructor if the student has filed a discrimination complaint, if the instructor is not available or where the District determines that it is possible that there may have been gross misconduct by the original instructor.

In the case of fraud, bad faith, or incompetence, the final determination concerning removal or change of grade will be made by the ***Vice President of Academic Affairs***.

In all cases, the instructor who first awarded the grade will be given written notice of the change.

The College shall consider a request for change of grade where the timely request for change is necessitated as a remedy for discrimination on the basis of disability pursuant to Section 504 and Title II, including with respect to the denial of an approved accommodation/modification.
