

HOSPITALITY & TOURISM MANAGEMENT PROGRAM

Napa Valley College can help start your career or advance it to the next level with the Hospitality & Tourism Management Program.

Jump Start Your Hospitality Career in Napa

The Hospitality & Tourism Management Program at Napa Valley College offers both a Certificate of Achievement in Hospitality Management and an A.S. Degree in Hospitality & Tourism Management.

The Hospitality Management Certificate of Achievement can be earned in one year while attending school part-time. This certificate includes courses in Marketing, Hotel Administration, Hospitality Law, and Restaurant Management.

The A.S. Degree in Hospitality & Tourism Management can be completed in 2 years, and offers many courses that transfer to 4-year Hospitality Management Programs around the state.

Benefits of Napa

The benefits of completing a Hospitality & Tourism Management Certificate of Degree at NVC include:

- **Location** – in the heart of Napa Valley with over 150 hotels, inns, resorts, and bed & breakfasts, and more than 125 restaurants, which have been awarded more Michelin Stars per capita than any other wine growing region in the world, as neighbors. Napa is the place to study and grow in the hospitality industry.
- **Jobs** – over 3.3 million visitors to Napa Valley, annually, supporting 11,776 hospitality & tourism jobs, with a 21% projected growth over the next 5 years, according to visitnapavalley.com (2014). Work in the industry while you go to school.
- **Industry Connections & Partnerships** – students in the program have numerous opportunities to network with industry leaders and participate in events like BottleRock and Safeway Open Golf Tournament.
- **Flexible Schedule** – take classes around your work schedule, day, evening, and online classes available.

Solid Curriculum

The hospitality courses at NVC provide a solid base of world-class curriculum focusing on customer service training, supervisory and managerial skills, and industry-specific topics, taught by faculty with years of industry experience.
