NAPA VALLEY COLLEGE
STAFF AND ORGANIZATIONAL DEVELOPMENT PLAN

PURPOSE:

The Staff Development Committee plans and coordinates college-wide staff development activities to ensure that employees are being trained in current methods and processes to best serve our student population, ranging from pedagogical to technological training. The committee is responsible for developing and implementing a comprehensive staff development plan, including annual needs assessments and evaluations of the effectiveness of planned activities. The committee makes recommendations on staff, student, and instructional improvement activities, pursuant to Title V, Section 55724. The committee also serves as the advisory committee for “flex calendar” activities and works collaboratively with the Academic Senate Professional Development Committee, which may include the implementation of flex calendar activities.

PHILOSOPHY:

Napa Valley College is committed to the professional development of its employees. The quality of educational programs and services at the college is influenced by the skills and abilities of staff and faculty. To that end, the Staff Development Committee is focused on addressing the varied development needs of employees to ensure that students flourish in the academic environment.
