INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) Effective fall 2021 through summer 2022

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit students to transfer from Napa Valley College to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower division general education courses to satisfy general education requirements. Before you start working on general education courses, check what is recommended for your major and the campuses you're interested in. Some campuses may not accept IGETC; while others may require additional courses in addition to IGETC Certification. The IGETC is not advisable for all transfer students, especially those pursuing high unit majors. You may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC campus or college to which you plan to transfer. Please consult with a Counselor. Students pursuing an AS-T or AA-T degree must complete the entire IGETC pattern for either CSU (37 unit minimum) or UC (34 unit minimum). If transferring to a CSU campus, students must complete an Oral Communications course (Area 1C). Information on this form is subject to change.

See the 2021-2022 catalog for detailed information on the IGETC Certificate of Achievement (COA) and certification process.
