

NAPA VALLEY COLLEGE ROBOTICS CLUB

**Every Friday @ 10 am
Location: MESA Center**

Club Officers

- Marcus Mesta- Co-President
- Juan Martinez- Co- President
- Joaquin Borrayo- Vice President
- Antonio Soriano- Secretary and Treasurer
- Edgar Jimenez- ICC Rep
- Gabriel Popescu- Public Relations

Our Goals:

The robotics club was formed to provide students a creative freedom through technology and programming. Our goal is to teach students basic programming skills as well as teach them the mechanical skills to create a final product. We also thrive to teach students to work as one single team to accomplish something bigger.
