Quiz about Integrating Quotations (Take Home Practice)

**Instructions:** Answer the following questions in your own words.

1. What is critical thinking, and why is it important when it comes to integrating quotations?

2. What are dropped-in quotations? How can you recognize them? Why is it important to avoid them, and how can you avoid them?

3. What is the purpose of a quotation, and how can you select meaningful ones? What should you look for in a quotation?

4. Where are quotations most effective? Why?
5. What is the difference between a Signal Phrase and an Attributive Tag both in terms of what they are and do and when/why to use each?

6. Why is explaining quotations so important, and what does it involve?

7. Define and explain how to format a short quotation.

8. Define and explain how to format a long quotation.
9. What is a partial quotation? What is a complete quotation?

10. Define ellipsis and brackets, and discuss how to use each to make changes to quotations.

What questions do you have about quotations?
