Napa Valley College

Dear Napa Valley College employee:

Out of all the items on your to-do list, enrolling in your employer's benefits program likely isn't at the top. But it's more significant than you may think, as protecting yourself and your family is vitally important.

That's where we come in. American Fidelity provides financial solutions to employees just like you, and we offer benefits tailored for your specific needs.

Your benefit program includes a Section 125 Plan, which not only allows you to pre-tax premiums for qualified benefits, it also allows you to enjoy a tax-saving way to pay for eligible medical or dependent day care expenses with a reimbursement account that deducts pre-tax dollars from your paycheck. Simply choose the amount to be deducted, and the funds are set aside to be used for eligible expenses throughout the year. You can choose from several types of plans.

You only have one chance each year to get educated on all available benefit options and choose the ones that best meet your needs. And because benefits can be confusing, we're here to help you every step of the way. We'll walk you through all available options, answer any questions you may have, and help you build a package that's perfect for you.

An interest form is attached for you to complete and return, and a representative will touch base with you soon to discuss your available options.

Sincerely,

American Fidelity Assurance Company

An Easy Way to Pay for Expenses

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck before income tax is applied. Simply choose the amount to be deducted, and the funds are set aside to be used for eligible expenses throughout the year.

Here's How It Works

A Section 125 Plan reduces your tax and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible. All you have to do is enroll.

Is It Right for Me?

The savings you may experience with a Section 125 Plan are outlined below. By utilizing the Section 125 Plan, Jane would have \$70 more every month to apply toward her insurance benefits or other needs. That's a savings of \$840 a year.

Ready to Enroll?

To enroll in the Section 125 Plan, just complete an election form. You'll receive plenty of advance notice when it's time to enroll. And, in most cases, you must re-enroll each year to keep participating in the plan.

How to Make Election Changes

You're able to change your election each year during your annual benefits enrollment, but the only time Internal Revenue Code regulations allow you to make a change during the plan year itself is if you experience a qualified event. Some examples include:

- **Change in legal married status**
- **Change in number of dependents**
- **Termination or commencement of employment**
- **Dependent satisfies or ceases to satisfy dependent eligibility requirements**
- **Change in residence or worksite that affects eligibility for coverage**

These examples may not be all-inclusive. Please contact your employer for guidance with your specific situation.

Employee Name: Smith, Jane

SSN: 123-45-XXXX

Employee Number: 0515

Payment Date: 1/1/17

Period Begin Date: 1/30/17

Earnings & Hours	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Medical Expenses	N/A	-\$250
Taxable Gross	\$2,000	\$1,750
Taxes (Federal & State @ 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Medical Deductions	-\$250	N/A
Take Home Pay	\$1,197	\$1,267

That's a difference of \$70!

Where allowable by law. If you are subject to FICA taxes, there might be a reduction in your social security benefit due to the reduction of FICA contributions. Example is hypothetical for illustrative purposes only. Please consult your tax advisor for actual tax savings.

Help Save for Medical Expenses

Are you looking for a way to reduce your taxable income and help pay for medical and dependent care expenses? Reimbursement accounts can do just that.

With these accounts, you'll enjoy a money-saving way to pay for eligible medical or dependent care expenses with pre-tax dollars from your paycheck.

Just choose the amount to be deducted, and the funds are set aside to be used for expenses throughout the year. It's that easy.

Here's How They Work

A **Dependent Day Care Flexible Spending Account (Dependent Day Care FSA)** allows you to set aside pre-tax dollars to reimburse yourself for eligible dependent care expenses. Because your money goes into the account before income tax is withheld, you pay less in tax and have more disposable income. You may allocate up to \$5,000 per tax year for reimbursement of eligible dependent care services (or \$2,500 if you are married and file a separate tax return).

A **Health Flexible Spending Account (Health FSA)** can save you money by allowing you to set aside part of your pay, on a pre-tax basis, to reimburse yourself for eligible medical expenses such as copayments, deductibles, prescriptions, and more. The maximum amount allowed to contribute into this account is \$2,600 per calendar year. (Please see your employer for the maximum amount allowed by your plan.)

Fast, Easy Reimbursements

If you're interested in either of these accounts, we're happy to set up your account for direct deposit. You can either have your reimbursements deposited straight into your bank account or receive a check by mail – it's entirely up to you.

If you don't file sufficient claims for reimbursement, you could lose the unused amount remaining in your account at the end of the plan year. This is often referred to as the "use-or-lose" rule.

Your employer may offer a carryover of up to \$500 each plan year or a grace period, which is a period of time after the plan year ends where you may incur expenses and be reimbursed from the remaining balance in your previous year's account.
