

Understanding the Articulation Timeline, Examples & Best Practice (Articulation Approval Timelines for 2022-23 Curriculum Submissions)

Course Proposal Term	Type of Articulation	Curriculum Committee Deadline for Submitting Proposals	Articulation External Submission Deadline (annually)	Effective Academic Year/Term (upon approval) with specified Articulation
Fall 2022	CSU transferability: Courses numbered 100-299 at NVC, locally determined per CSU Transfer of Credit	January 23, 2023	Locally approved	Locally determined (typically next AY (Academic Year) after local approval, 2023-24)
Fall 2022	UC Transferability (UC-TCA): UC Office of the President (UCOP) approves transfer level courses as specified in TCA policy	January 23, 2023	July 2023	Typically, 2024-25 (No retro approval) (See examples below)
Fall 2022	CSU-General Education: Transfer GE pattern designed for CSU transfers whereby courses are approved per Policy on CSU GE Breadth Requirements	January 23, 2023	December 2023	Typically, 2024-25 (No retro approval) (See examples below)
Fall 2022	IGETC: Transfer GE pattern designed for UC transfers (accepted by UC and CSU) whereby courses are approved per the IGETC Standards	January 23, 2023	December 2023	Typically, 2024-25 (No retro approval) (The course must already be an approved UC-TCA course to be considered for IGETC) (See examples below)
Fall 2022	C-ID: The course must align to C-ID Descriptor for which it is being proposed. For Descriptors: www.c-id.net	January 23, 2023	Continuous	Effective Date as approved by C-ID. The Articulation web page includes: NVC New & Pending C-ID-Courses

Best Practice: For UC Transferability and Transfer GE (IGETC/CSU GE breadth) proposals, faculty should consider aligning the begin date of the modified course or new course with the effective articulation approval term.
