CCC Pathways to Equity Conference	<i>Was in April in 2024</i>

Approval of all travel requests follows the district-approved process. Availability of grant funds alone does not assure approval to travel. See the [Business and Finance website](#) for required processes and forms.

For other conference opportunities not listed, at least one of the following criteria needs to be met:

1. Developing Guided Pathways
 2. Equity efforts leading to increased success among minoritized populations – most notably the Latinx or AANAPI populations
 3. Improving student success in online classrooms or developing capability in online teaching
 4. Enhancing retention/success in STEM pathways – particularly among historically underrepresented populations
- Requests to attend conferences that do not appear on the list above will be evaluated by the VPAA and the HSI Project Director on a case-by-case basis. Number of times a faculty or staff has attended conferences in the past year may be considered.
